WHY GO THERE?

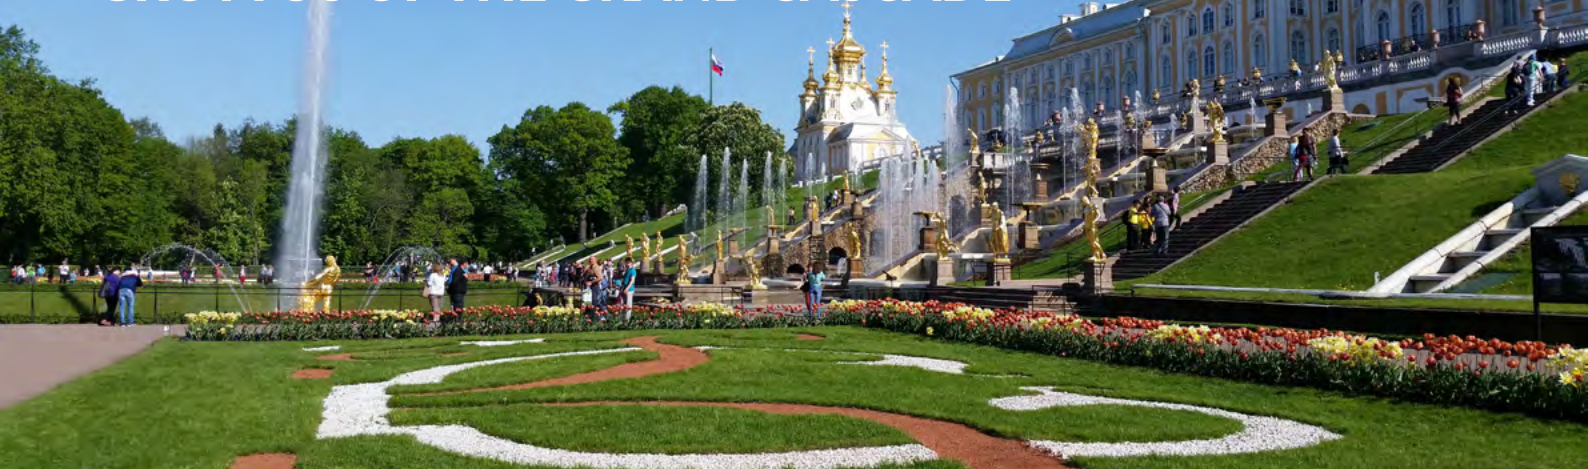

1 The first 18-hole urban course in Saint-Petersburg, 72 bunkers, 6 lakes

2 Designed by Steve Forrest and Greg Norman

3 A great location – just a 35 minute drive from the city centre

PETERHOF FOUNTAIN PARK & GROTTO OF THE GRAND CASCADE

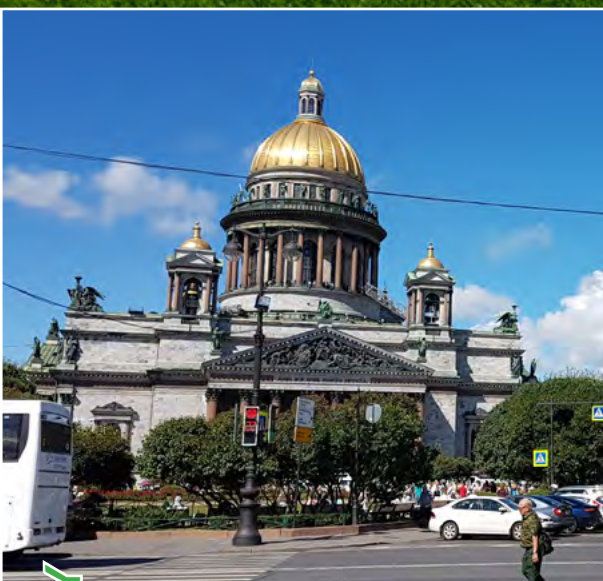

WHY GO THERE?

- 1 The most spectacular legacy of the golden age of the Russian Empire (XVIII century)
- 2 Designed by the initiative of Peter the Great
- 3 One of Seven Wonders of Russia (# 2 among man-made wonders by 2008 all-Russia vote)

WHAT WILL WE SEE?

- **PETERHOF FOUNTAIN PARKS** - you will have a guided tour of both Fountain Parks of Peterhof: starting with the 15-hectar **UPPER GARDEN** laid out in the formal French style with geometrically arranged flowerbeds, sculptures and pergolas, you will enjoy its focal point: the German baroque Neptune Fountain of 1650s and four other fountains that have been here since 1730s. This **GARDEN** was considered as the main road entrance to the summer residence of Russian tsars!
- Then you will proceed to the **LOWER PARK** (112,5 he) to see its pride – the **GRAND CASCADE** with 225 sculptures made of gilded bronze, lead and marble and 142 water jets descending from the terraces of the Grand Palace to the Marine Canal and the Sea!
- The most spectacular sculpture is the glittering figure of **SAMSON** rending the jaws of a ferocious lion – it symbolizes Russia's victory over Sweden in the Northern War (1700 – 1721)!
- **GROTTO**s are the architectural center of the **GRAND CASCADE**. They were designed between 1716-1720 for Peter the Great to arrange informal parties for his guests.
- Enjoy your guide's fascinating story about special 'Fountain Corps' and the fountain system of Peterhof!
- After the visit to Grotto, you will have a guided tour of the **LOWER FOUNTAIN PARK** to see the **MARINE CANAL**, other **CASCADES**, **SCULPTURES** and **FOUNTAINS** (including Peter the First's famous tricky fountains)!

IMMERSION

ST. PETERSBURG HIGHLIGHTS

WHY GO THERE?

- 1 Russia's most cultural city
- 2 Historic sights & elegant architecture
- 3 Home to Russian writers, composers, politicians and a revolutionary spirit

WHAT WILL WE SEE?

ST. PETERSBURG HIGHLIGHTS - you will discover the cultural capital of Russia, full of splendid museums, cathedrals, palaces, gardens and arched bridges over graceful waterways.

During the tour you will see elegant streets, spacious squares, awe-inspiring churches & cathedrals, beautiful mansions of Russian aristocrats and, of course, the main street - famous **NEVSKY PROSPECT**. You will make several photo stops by some iconic sights and enjoy the great panoramic view from the Neva River embankments.

If you come late May – early July, you can experience poetic & romantic **WHITE NIGHTS** and immerse yourselves in the public gala of different cultural events during the **WHITE NIGHT FESTIVAL**.

THE HERMITAGE BOAT RIDE

WHY GO THERE?

1 Official imperial residence and the winter house for the Romanovs

2 Encyclopedic art collection started by Catherine the Great

3 Beautiful river & canal cruises

WHAT WILL WE SEE?

The **HERMITAGE MUSEUM** - you will have a guided tour through the magnificent complex of the Hermitage Museum on Palace Embankment! We will use the special 'early privileged entrance' to the museum before its official opening for other guests.

You will start with the **WINTER PALACE**, a superb example of the Russian Baroque style, designed (1754-1762) for **Empress ELIZABETH I**, daughter of **PETER THE GREAT**. The palace was built for official receptions, balls and political meetings and also used as the winter house for the imperial family. You will certainly love the breathtaking **JORDAN STAIRCASE**, the impressive **ARMORIAL HALL** with gilded columns and giant lampstands, the enormous **ST. GEORGE HALL** (or **THE LARGE THRONE ROOM**) and a lot of other opulent state rooms with their magnificent furnishings.

Then you proceed to the more intimate **SMALL HERMITAGE** with the striking white marble-and-gold **PAVILION HALL** and the famous English **Peacock Clock**.

After that you will see the works by Italian artists from XIII to XVI century (including **Simone Martini**, **Titian**, **Leonardo da Vinci**, **Veronese**). They are on display in the **LARGE HERMITAGE** built to house the growing collection of **CATHERINE THE GREAT** that she started in 1764. Further on you will enjoy the brilliant art collection of the **NEW HERMITAGE** (1842-1851) with works by **Raphael**, **Michelangelo** and **Caravaggio**, **Rembrandt** and **Hals**, **Murillo**, **Velazquez** and **Goya**, **Rubens** and **Van Dyck** and many more world-renowned and lesser famous artists. You will also see **Raphael's Loggia**, **Sky Light Halls**, the **Gallery of History of Ancient Painting**, etc. and marvel at the magnificent interior design of the imperial museum.

BOAT RIDE ALONG THE RIVERS AND CANALS - you will take a private boat (only for your party) and enjoy the city from the water! You will see "Venice of the North", famous for its photogenic bridges and the city's famous landmarks along the way.

All the waterways in the center of St. Petersburg were lined with granite embankments at the time of Catherine the Great (XVIII century). Their beauty is enhanced by charming names of some of the bridges ('Singer's Bridge' or 'Bridge of Kisses') and pretty islands in the city center (there are 432 bridges & 42 islands altogether).

NB. Usually we go along the most picturesque rivers and canals: the Neva River, the Moika, the Fontanka and the Winter Canal (weather conditions can impact the route).
